## LOCATION

MIRAMARE RESORT & SPA is an attractive hotel, bungalow, suites and Luxury Villas complex in Eastern Crete. It is situated in a magnificent and peaceful location just above the sea front, with a startling view of the picturesque city of Aghios Nikolaos and the Mirabello Bay. It resides between two beaches. The Almyros Beach offers full facilities and a large variety of sea sports.

The cosmopolitan city of Aghios Nikolaos is within walking distance from the hotel, only one hour from Heraklion International Airport and a short drive from all major attractions of Eastern Crete.

The Hotel is built following the traditional architectural style of the island in alignment and respect towards the Cretan nature. It is characterised by its low and spacious buildings, whose facilities target your relaxation and enjoyable stay. The room collection of the Hotel includes 282 rooms, mostly with sea view – in blocks around the main building, offering 198 Rooms and Bungalows, 79 Family rooms and Suites and 5 Villas. Out of the above 60 are with a pool.

Miramare Resort & Spa has been designed not only to fulfil but also to exceed the highest expectations of the most discerning traveller. Offering the highest possible service standards and an environment of discreet luxury and comfort, the Miramare Resort promises to make even the shortest stay a unique and memorable experience.

## YOUR ARRIVAL

At the spacious entrance with its polished marble floors and its impressive reception desk, our staff and management are ready to welcome and make you feel at home. They will offer you their full attention in order for you to have a carefree, relaxing and enjoyable vacation.

## YOURS TO DISCOVER

Walking through the alleyways of the Hotel that overlook the endless vastness of the sea and the beach of Almyros, a surprise awaits for you in every step and every corner.

## RESTAURANTS

The Main Restaurant “Bellavista” with its indoor and outdoor seating possibilities is true to its name and offers a magnificent view combined with a rich buffet for breakfast, lunch and dinner. A variety of specialities of Cretan and international cuisine overwhelm every guest.

Wining and dining in our restaurant is a highly pleasurable experience, which we believe will become one of the highlights of your holiday.

The Aegeon a la Carte Restaurant and Snack bar, located in the newly built Superior Section, pleasurable and proudly serve a variety of Cretan and International specialties, enchanting you with the splendid sea view and the brand new panoramic pool.

Special evenings such as Cretan Night, BBQ and Fish Nights, take place around the Main pool with Folklore dances and live Greek and international music.

## BARS

The “Palm Lounge Bar” serves delicious cocktails and beverages in the relaxing atmosphere of our comfortable lounges or on the romantic terrace, where you can feel the gentle summer breeze and feast your eyes with the endless deep blue of the Aegean Sea. By the two outdoor pools you can find the “Aegeon” and “Aeolos” pool- bars offering snacks and drinks at specified times during the day.

## SWIMMING POOLS

Enjoy the warm rays of the Mediterranean sun and refresh yourself in our outdoor fresh water panoramic pools, while your children are playing in the children's pool. The new indoor heated pool at our Spa is also offered during cooler periods.

## YOUR STAY

Richness in natural light, elegant decor and spectacular panoramic views over the Mirabello Bay are part of the ambience of our 282 spacious guest rooms and suites. Most rooms have sea view and are decorated to the highest standards, with individually controlled air conditioning, satellite remote controlled T.V, direct dial telephone, mini fridge, balcony/terrace, music channels, safe deposit box and luxurious marbled bathrooms with a hair-dryer and other amenities.

## CONFERENCE ROOMS & OPEN THEATRE

Ideal for business meetings, banquets, exhibitions, seminars, lectures, etc. our 3 conference rooms, accommodates from 50 up to 300 persons and they are equipped to meet all technical requirements.

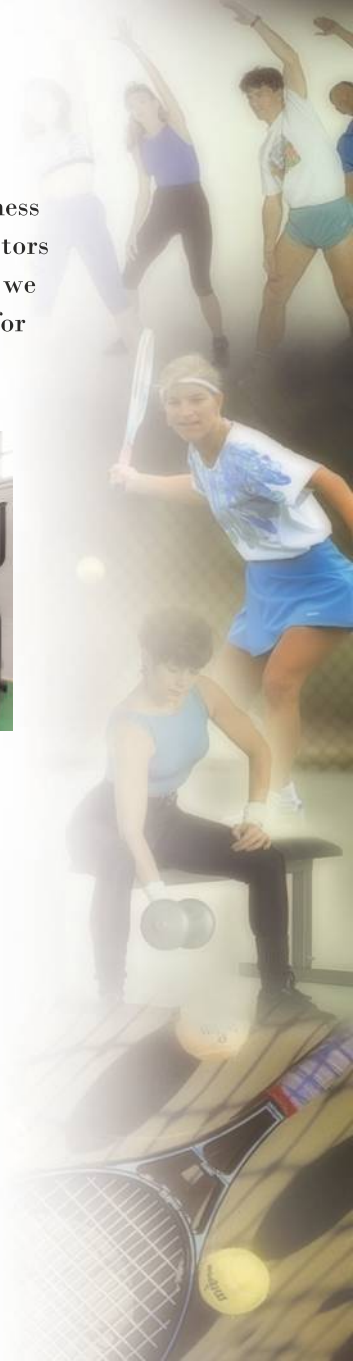

## ACTIVITIES
